To Whom it May Concern:

John Wilburn of Fiesta Sounds was the DJ for our Valentines Formal in February of 2005. We found him very willing to work with us and to cater to our requirements for that dance. As it was his first appearance at our school, he took the time to come out to look over the site in advance. Our administration was concerned with the direction that teen dancing styles have been taking and had noticed that inappropriate behavior seemed to be triggered by certain songs. We asked for and received in advance a list of the songs John has available. After reviewing the list, we indicated certain songs that we would not want played at our function, and he fully complied with that request without hesitation. We found his modified mix of songs to be well accepted by the students and his name has now been added to our list of approved DJ's. We encourage you to give him a try.
